To Whom It May Concern,

I am writing to ask for a waiver of the filing deadline for Cobden CUSD #17 e-rate application 171049251. Our tech director left our organization without filing our e-rate paperwork. I was notified by our vendor Mediacom today 6/9/2017 that nothing had been filed for the 2017 school year. We are a small rural district and the ability to use e-rate funds to help pay for our wifi connection is crucial. We appreciate your consideration.

Sincerely,

Edwin Shoemate  
Superintendent  
Cobden CUSD #17
